Highlights

Indoor

When decorating your home with light, consider if the area requires general lighting, accent lighting, task lighting, or perhaps all three, to complete the necessary layers of light for comfortable ambience.

Damp

UL Listed for Damp locations

ADA

Complies with American Disability Act (extends less than 4 inches (102 mm) away from the wall).

Saves up to 80% energy

This lamp conserves energy compared to traditional light sources, helping you to save money on your electricity bills and do your bit for the environment.

UNV ballast

Universal voltage electronic ballast makes this fixture ideal for commercial applications, as well as residential.

Satin Nickel

Satin Nickel

Etched white glass

Etched white glass
